Stephen A. Bucchianeri

MEMBER

Steve Bucchianeri's practice covers all aspects of intellectual property law, including the preparation and prosecution of U.S. and foreign patent applications across a wide variety of technical fields, infringement and validity studies, patentability and right-to-use opinions, litigation support, licensing and agreement matters, trademark, trade secret, and copyright issues.

Steve has filed and prosecuted hundreds of patent applications in the United States and, through collaboration with hand-picked counsel licensed in numerous jurisdictions throughout the world, in Canada and throughout Europe, South America, and Asia. Prior to joining Eckert Seamans, Steve served as patent counsel for a major agriculture and construction equipment manufacturer. Steve uses his past experience as in-house counsel to develop an understanding of the unique legal and business challenges faced by his clients, recognizing that building a relationship with a client involves much more than just the project at hand.
