Lucas Indeglia

ASSOCIATE

Lucas Indeglia focuses his practice on corporate transactions, including business counseling, financial transactions, hospitality, and mergers and acquisitions. Under the supervision of senior attorneys, he assists in negotiating venture capital financings, lending transactions, fund formations, and drafting associated deal documents, such as term sheets, board consents, stockholder consents, and stock purchase agreements.

Before establishing his legal career, Lucas gained experience as a business development professional in the cyber security and real estate industries.
