Bob Trosky

CHIEF INFORMATION OFFICER

Bob Trosky has over 25 years of technology and leadership experience, with a strong focus on infrastructure, cybersecurity, and operations. His experience includes working for technology service providers and a Fortune 500 company in various roles, including senior leadership, M&A integration, technology implementation, and information security.

In his role at Eckert Seamans, Bob works with firm leadership to develop and implement firm-wide strategic plans to maintain and evolve systems, infrastructure, enterprise applications, security, cloud, and mobile initiatives. Bob also partners with firm operations and Practice Groups to develop innovative technology solutions for business needs. Bob oversees all of the IT groups, including Infrastructure, Applications, Project Management, Security, and Service Desk.

EDUCATION:

Master of Business Administration – Information Systems, Point Park University

Master of Professional Studies, Cybersecurity Analytics and Operations, Pennsylvania State University
