

Andrew R. Rider

MEMBER

Andrew Rider has significant experience in all phases of complex litigation. He is an experienced litigator related to the defense of mass tort litigation matters involving asbestos and product liability. He has significant experience in all stages of litigation representing individuals, companies, and insurance providers against complex claims in federal court, state court, arbitration hearings, administrative proceedings, and mediations on a wide range of issues including mass tort, construction disputes, personal injury claims, wrongful death claims, subrogation rights, property damage claims, strict liability claims, and municipal liability.

His direct and personable communication approach with clients, witnesses, third parties, and experts enables him to advocate for his clients credibly and concisely to judges, juries, and opposing counsel.
