B.A., Villanova University, College of Liberal Arts and Sciences, 2012

Gregory P. Mazmanian

ASSOCIATE

Gregory Mazmanian advises clients on the various aspects of the incident response process related to diverse data privacy matters, including active ransomware events, business email compromises, rogue employee incidents, third-party incidents, data collector matters, and inadvertent disclosures. He also has experience assessing the facts of potential data privacy events in conjunction with forensic findings to identify and analyze any statutory and contractual notice obligations and advise clients on how to move forward with meeting legal requirements. Gregory previously served as an Assistant District Attorney with the Philadelphia District Attorney's Office.
