## William S. Myers

### MEMBER

Bill Myers has been a labor and employment lawyer for three decades. He is both an advocate and a counselor, and he carries both sets of tools to work on every client matter.

Bill is experienced in the full range of federal law governing employment and labor relations, as well as the spectrum of similar state laws and the growing body of workplace regulation by cities. Bill has advised countless companies, large and small, and has represented them—as both defendant and plaintiff—in state and federal courts and trial and appellate courts throughout the country, and in mediation and arbitration in a variety of settings.

Bill also has extensive experience advising and representing clients on regulatory matters before the many federal, state, and local agencies that address labor and employment issues, with a special emphasis in workplace safety and health (OSHA) in both general industry and construction, and on wage and hour matters involving overtime compensation and exemptions.
