Richard E. Peirce

MEMBER

Rich Peirce focuses his practice on trademark, copyright, Internet, and e-commerce issues. These include issues related to Internet brand protection strategies, online brand disputes, content moderation and user generated content, online defamation and product disparagement disputes, search engine advertising, website linking, CAN-SPAM, copyright disputes and fair use, social media, false advertising, website policies and privacy, licensing, domain name disputes, and the FTC guidelines on the use of endorsements and testimonials in advertising.

Rich is an adjunct professor of law at Temple University School of Law, where he teaches Law of Electronic Commerce and Advertising and Marketing Law.

REPRESENTATIVE MATTERS

- Internet brand protection strategies for new and existing businesses, products, and/or services.
- Online brand management and disputes on user-generated content sites such as Wikipedia.
- Online defamation and product disparagement disputes, including issues with anonymous postings.
- Search engine advertising issues, including those involving the purchase and use of search engine keywords.
- Legal issues with website linking, including proper use of marks and logos.
- CAN-SPAM issues with email.
- Unauthorized use of clients' copyrighted material (photographs, marketing materials, etc.) online and how best to remove such materials.
- Misuse of clients' brands on social media sites such as Facebook and Twitter.
- Brand, counterfeiting, and false advertising disputes on e-commerce sites such as Amazon.com.
- Company social media use policies for employees.
- Website terms of use, privacy, and other related website policies, including rules for managing user generated content and other blogging functions.
- Intellectual property licenses and assignments, including those involving trademarks, copyright, and domain names.

- Anonymous negotiation and acquisition of domain names.
- Domain name cybersquatting disputes and litigation, including those under the Uniform Domain Name Dispute Resolution Policy.
- Trademark and copyright fair use issues, including parody and comparative advertising issues.
- Federal Trade Commission guidelines on use of endorsements and testimonials in advertising.
- Trademark, copyright, and unfair competition litigation.
- Trademark clearance and prosecution, including in foreign countries.
- Software license issues, including use of open source software.
